The conflicts of the early Christians in Corinth are in many ways similar to our struggles today as Christians. The message of St. Paul to the Corinthians is a much-needed message for our own times. This study will explore the key elements that the apostle Paul introduced to a new and growing Church. St. Paul taught the Corinthians about the nature of grace and the Church as the Body of Christ. In addition, he introduced the Corinthian Christians to the most powerful gift of all, the Eucharist.

The Foundational 24-session Bible Study
